ADDING, DROPPING AND WITHDRAWING FROM CLASSES AFTER START OF SEMESTER

Please be aware of all deadlines. You may add courses via your Gateway before the first day of instruction, provided there is space available. Once classes start, you will need a permission number from your instructor to add a course via Gateway.

Dropping courses via your Gateway without it being noted on your academic record must occur within the first three weeks of each semester. After this three-week period, you are no longer allowed to drop courses via your Gateway. At this point, you must have a serious and compelling reason to withdraw from a course and submit a petition that includes supporting documentation and an unofficial transcript. If approved, a "W" will appear on your academic record. Withdrawals that lack serious and compelling reasons and/or viable supporting documentation may be denied within the College of Health & Social Sciences. Be conscientious about withdrawing from classes, as you are only allowed a maximum of 18 units for withdrawal. Please also keep in mind that you are only allowed to repeat a course once after receiving a failing grade.

Lastly, it is ALWAYS students' responsibility to ensure that they are in the appropriate classes — always check your schedule!
